

Lab Purity Report

100% Pure Moringa Powder - Complete Nutritional Analysis

Batch Code: NT042024 | **Test Date:** January 24, 2025 | **Lab:** National Measurement Institute (Australian Government)

✓ Key Findings

100% Pure

No additives, fillers, or preservatives detected

29% Protein

Higher protein than most plant foods

44.6% Omega-3

Exceptional fatty acid profile for a plant source

8.1% Moisture

Very fresh and properly dried (prevents mold)

Complete Nutritional Profile (per 100g)

Nutrient	Amount	What This Means
Protein	29.0g	Nearly 1/3 protein - excellent for plant source
Fat (Total)	7.4g	Mostly healthy fats (Omega-3)
Omega-3 Fatty Acids	44.6%	Exceptional - rare in plant foods
Omega-6 Fatty Acids	9.4%	Good balance with Omega-3
Saturated Fat	2.9g	Low - heart-healthy profile
Carbohydrates	45g	Natural energy source
Total Sugars	5.9g	Low - naturally occurring sugars
Moisture	8.1%	Very dry - ensures freshness & shelf life
Ash (Minerals)	10.6g	High mineral content
Sodium	78mg	Low sodium - heart-healthy
Energy	1530 kJ	~365 calories per 100g

What Makes This Moringa Exceptional?

- **29% protein** is higher than most leafy greens and comparable to some beans
- **44.6% Omega-3** is extraordinarily high for a plant food (similar to flaxseed)
- **8.1% moisture** proves proper shade-drying - prevents mold and ensures long shelf life
- **No additives detected** - pure moringa leaves with nothing added
- **Low sodium (78mg)** - suitable for low-sodium diets

Palmitic Acid	21.9%	Saturated - Natural plant fat
Poly-unsaturated (Total)	54.0%	Healthy fats - Anti-inflammatory
Mono-unsaturated (Total)	6.9%	Heart-healthy fats
Saturated (Total)	39.1%	Natural plant saturated fats

Trans Fats

<0.1%

Virtually none - excellent!

vs Why Lab Testing Matters

! What We're Checking For:

- **Purity:** No undeclared additives, fillers, or preservatives
- **Freshness:** Moisture content indicates proper drying and storage
- **Nutritional Value:** Protein, fats, and minerals meet expected levels
- **Quality:** Fatty acid profile shows proper shade-drying (not sun-dried)
- **Safety:** No contamination or degradation

✓ Our Transparency Guarantee

Feature	NutriThrive	Most Competitors
Lab Report Public?	✓ Yes (this document)	✗ No
Batch Code Visible?	✓ On every bag	! Sometimes
Testing Lab Named?	✓ National Measurement Institute	✗ "Lab tested" (no details)
Test Date Disclosed?	✓ January 2025	✗ Not disclosed
Full Results Shared?	✓ Complete nutritional profile	✗ Only claims, no data

♥ What This Means For You:

- You know **exactly** what's in your moringa powder
- You can verify our claims with official government lab results
- You can trace every batch back to its test date
- You can trust the nutritional values on our label

- You're getting **pure moringa** - nothing added, nothing hidden

Shop with Confidence

Every batch of NutriThrive moringa powder is tested to these standards.
Small batches. Fast dispatch. Lab-verified purity.
